
Preston Cottage

Conference Style Housing

Preston Cottage was built in 1966 and was made possible by the Preston Family of Franklin County. The cottage is a three tiered housing unit and can hold up to 80 people. There are eight total rooms located in the cottage each housing up to ten campers. This is a dormitory style cottage with bunk beds. The lobby is a great gathering area for campers and families.

For more information please contact Rock Springs 4-H Center by calling (785) 257-3221 or send an email to administration@rocksprings.net.
