
Kansas Council of Women **KCW Cottage**

Retreat-Style Housing

KCW was dedicated in 1982, thanks to the financial backing of the Kansas Council of Women. This popular facility is available year-round, and hosts 16 persons at full capacity. An intimate layout makes KCW a popular choice for family reunions, strategic planning getaways and other retreat-style events. The building consists of two levels, each with two suites. The layout of each suite is dormitory-style with one set of bunk beds and two twin beds. One restroom is housed in each suite, and amenities such as towels and linens are provided.

Both levels of KCW contain a spacious lobby, kitchenette and deck. The kitchenette is furnished with a small refrigerator, sink and coffee machine. The lobbies of each level provide ample seating, as well as a fireplace. Outside, the upper and lower decks both overlook Rock Springs' Olympic-sized swimming pool. Recently, the upper level of KCW has been renovated, and now includes luxurious furniture and stylish décor ideal for your next retreat!
